Statement of Understanding

- I understand that I have the responsibility for covering all educational costs.
- I understand that I must be enrolled at least part-time for the duration of the semester.
- I understand that the federal government does not pay the interest on an unsubsidized loan; therefore, the interest accrues during the time I am enrolled as a student, and I will either:
 - Pay the interest while I am in school; or
 - Defer the interest. This means the interest will be added to the original amount of the loan. When I leave school and begin repayment, I will eventually pay interest on that interest. I will receive further information regarding my interest options after my loan is approved.

I certify that the information I have provided as part of and in support of this request is correct and accurate.
