

# Transfer of Credit Agreement

between

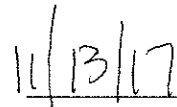

## Memphis College of Art and Nossi College of Art

Due to the pending closure of Memphis College of Art (MCA), Nossi College of Art (NCA) agrees to accept current MCA students who wish to continue their studies in their chosen field by transferring to another college. These students must be in good academic and financial standing with MCA. Nossi College of Art will accept transfer credits from MCA if the courses are equal to the courses offered in the Nossi curriculum. There are three degrees at MCA, the BFA in Illustration, Graphic Design and Photography, in which our two curriculums will match up fairly well.

NCA will transfer as many earned credit hours as possible and apply those credits to a bachelor degree at NCA. Only credits hours with at least an earned "C" grade will transfer. NCA has more required courses in a student's major than MCA and less required General Education courses. Freshmen, Sophomores and Juniors should be able to successfully make the transition from MCA to NCA. If a student is interested in transferring and wants to know exactly which courses will transfer and which will not, that student may mail a current copy of the MCA transcript to the Registrar at NCA. That student will be told the exact number of credit hours that can be applied to a NCA degree.
