

Articulation Agreement

Memphis College of Art and O'More College of Design

Introduction

This Articulation Agreement formally recognizes that Memphis College of Art and O'More College of Design are active educational partners, committed to providing greater educational opportunities and services for students transitioning between institutions. This agreement is crafted to make the transfer process between institutions simple and fair without question on credits earned.

In cooperation between Memphis College of Art and O'More College of Design, both institutions recognize the work the students have achieved in their careers in higher education. Each institution holds high regards to serving students regardless of race, ethnicity, religion, sex, disability, color, age, marital status, national origin or other nonmerit factors.

Purpose

This agreement is designed to aid in the transition of Memphis College of Art students who transfer to O'More College of Design to bring with them the credit they have already earned for as much relevant study as possible. The articulation agreement provides an outline of all relevant courses earned at Memphis College of Art and the equivalent courses at O'More College of Design.

Transfer Elements

This articulation agreement sets the definition for students who have taken courses in Foundations as well as General Education at Memphis College of Art.

Students who have taken Foundations courses at Memphis College of Art will have the corresponding Fine Arts course transferred to O'More College of Design as long as the grade earned is a B or above. If a Foundations course articulates to a Liberal Arts (LA) course and is specified in this agreement, the required grade earned is a C or above.

Students who have taken General Education courses at Memphis College of Art will have the corresponding General Education/Liberal Arts courses transferred to O'More College of Design as long as the grade earned is a C or above.

Transfer students to O'More College of Design are permitted to receive up to 60 transfer credits.

Admission to O'More College of Design

Memphis College of Art transfer students must go through O'More College of Design's application process and therefore must meet all applicable requirements and deadlines pertaining to submitting all college transcripts, application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, along with any revisions thereof that apply to all students from that institution.

Scholarships

Academic scholarships for transfer students to O'More College of Design are awarded according to GPA. A transfer student must enter with a minimum GPA of 3.5 to be eligible for a scholarship in the amount of \$4000. The maximum academic scholarship available is \$5000, awarded for a 4.0 GPA.

O'More College of Design also offers departmental scholarships, which are project based and specific to each discipline. The maximum a student can receive annually from a departmental scholarship is \$7500.

Obligations of the Institutions

Memphis College of Art and O'More College of Design agree to provide direct links between their institutional Web sites, indicating the existence of this Agreement.

Evaluation

There will be an annual evaluation process of the partnership supported by this articulation agreement for as long as Memphis College of Art is in operation. The information obtained from this evaluation will be used to improve the transfer process for the benefit of students. The process will also re-evaluate course listing and new course offerings.

Longevity of the Agreement

This agreement will remain in effect until either institution sees fit to end the agreement. Either institution may discontinue this agreement by submitting a written notification to the other institution one year prior to cancelation. Upon receipt of the cancelation notice, both institutions will discuss terms of cancelation and to ensure the students who are part of the agreement are not affected by the cancelation.
